When she agrees to accompany her ex-boyfriend Nick Jamieson, a conservative Republican lawyer, on a weekend business trip as his fiancée, Tess Newhart, an outspoken woman of the world, discovers that opposites really do attract.

A trans boy enters a throw-down battle for the title of Homecoming King with the boy he dumped last summer in ZR Ellor's contemporary YA debut. Jeremy Harkiss, cheer captain and student body president, won't let coming out as a transgender boy ruin his senior year. Instead of bowing to the bigots and outdated school administration, Jeremy decides to make some noise—and how better than by challenging his all-star ex-boyfriend, Lukas for the title of Homecoming King? Lukas Rivers, football star and head of the Homecoming Committee, is just trying to find order in his life after his older brother's funeral and the loss of his long-term girlfriend—who turned out to be a boy. But when Jeremy threatens to break his heart and steal his crown, Lukas kick starts a plot to sabotage Jeremy's campaign. When both boys take their rivalry too far, the dance is on the verge of being canceled. To save Homecoming, they'll have to face the hurt they're both hiding—and the lingering butterflies they can't deny.

The masterful author of *The Best of Everything* takes us through a season of friendship, discovery, betrayal, and love to tell a story of four friends and the events that shaped their futures. New York in 1963 is a place of infinite possibilities, especially when you're young and eager for the adventure a big city offers. Leigh, Cady, Vanessa, and Susan meet when they become roommates on the Upper East Side. Nothing can diminish the exhilaration of their newfound freedom and independence—even being crammed together in a single bedroom with a kitchen too small for a table and chairs. A casting assistant at a talent agency, Leigh is the level-headed one. Cady is a prep school teacher, emotional, passionate, and ready for love. Vanessa, a stewardess, craves her independence above all else. Susan is the mercurial, difficult one, and after one confrontation too many, makes a choice that will change the course of all their lives... PRAISE FOR RONA JAFFE "Reading Rona Jaffe is like being presented with a Cartier watch: you know exactly what you're getting and it's exactly what you want."—*Cosmopolitan* "Vivid and trenchant...Wry and very readable...A minor genius."—*New York Times Book Review* "Jaffe has not lost her wit, her keen eye for human frailties and her ear for the small but telling remark."—*Publishers Weekly*

The New York Times bestselling author of *Bet Me*, *Tell Me Lies* and *Welcome to Temptation* delivers her long-awaited novel *Andie Miller* is ready to move on in life. She wants to marry her fiancé and leave behind everything in her past, especially her ex-husband, North Archer. But when Andie tries to gain closure with him, he asks one final favor of her before they go their separate ways forever. A very distant cousin of his has died and left North as the guardian of two orphans who have driven out three nannies already, and things are getting worse. He needs a very special person to take care of the situation and he knows Andie can handle anything. When Andie meets the two children she quickly realizes things are much worse than she feared. The place is a mess, the children, Carter and Alice, aren't your average delinquents, and the creepy old house where they live is being run by the worst housekeeper since Mrs. Danvers. What's worse, Andie's fiancé thinks this is all a plan by North to get Andie back, and he may be right. Andie's dreams have been haunted by North since she arrived at the old house. And that's not the only haunting. What follows is a hilarious adventure in exorcism, including a self-doubting parapsychologist, an annoyed medium, her Tarot-card reading mother, an avenging ex-mother-in-law, and, of course, her jealous fiancé. And just when she thinks things couldn't get more complicated, North shows up on the doorstep making her wonder if maybe this time things could be different between them. If Andie can just get rid of all the guests and ghosts, she's pretty sure she can save the kids, and herself, from the past. But fate might just have another thing in mind...

She needs a fresh start. He's got scars that haven't healed. With the help of some rescue dogs, they'll discover that everyone deserves a chance at happiness. After a year of heartbreak and loss, the only thing keeping Constance afloat is the dog rescue she works at with her sister, Sunny. Desperate for a change, Constance impulsively joins a new gym, even though it seems impossibly hard, and despite the gym's prickly owner. Rhett Santos keeps his gym as a refuge for his former-military brothers and to sweat out his own issues. He's ready to let the funny redhead join, but unprepared for the way she wiggles past his hard-won defenses. When their dog rescue is threatened, the sisters fight to protect it. And they need all the help they can get. As Rhett and Constance slowly open up to each other, they'll find that no one is past rescuing; what they need is the right person—or dog—to save them.
