communication, and so often the positive feedback that we get from mentoring program participants relates to their improved listening and communications skills. This confirmation of the importance of communication was music to my ears. About the study

## Important Skills for a Successful Mentoring Relationship ...

Mentors, if you aren't getting the desired results, change your communication strategy. Do you know the saying, "The meaning of the communication is the response you get"? The more variety clients have in the way they communicate their ideas, the more success they have in achieving their desired results.

## Changing How You Communicate as a Mentor to Get Desired ...

A good mentor will create a strategy that fits your needs, talents, skills, and desires and push you towards a better you—not towards a clone of themselves. Mentors Value Learning Good mentors are life-long learners and should want to pass that desire on to everyone they come in contact with.

## Amazon.com: Customer reviews: Business Communication: Your ...

Give your Mentor your undivided attention. Show that you are listening. Especially if you are meeting over the phone, encourage your Mentor to continue with small verbal comments like "Sounds good," "Go on," or even "Uh huh." Reflect on what has been said.

## Mentor/Mentee Communication Skills Guide | AMTA

A mentoring relationship may be a powerful way to accelerate learning and boost leadership skills for any entrepreneur, business owner or leader. The potential benefits of having a mentor are many. Mentors may help you focus and gain clarity on issues. They may inspire you and provide encouragement and moral support when needed.

## How Mentoring Can Help You Improve Your Leadership Skills

As a mentor, be clear on and talk to your mentees about their visions, dreams, and career/life goals. They'll be interested in your current reality (your view of your strengths and limitations as well as the current reality of situations within your organization) and want help recognizing theirs as well. As a mentee, you also need this skill.

## SKILLS FOR SUCCESSFUL MENTORING

You can also use body language to emphasize or enhance your verbal message—patting a friend on the back while complimenting him on his success, for example, or pounding your fists to underline your message.
