Imagine if students could get all of the practice they need from one study guide and score very high on the NHA Phlebotomy Exam. This Phlebotomy study guide combines theory and practice questions so that students are fully prepared before writing the exam. While other guides only provide around 100 questions, this guide has 300 questions along with answer explanations. There are 3 full-length tests included so that test takers will have enough practice before attempting the real exam. About Newstone Test Prep Newstone Test Prep provides students with up-to-date test questions so that they are well prepared before taking the exam. We take pride in our guides because they combine both theory and test questions. At Newstone Test Prep, we do not just compile test questions; we compile the same number of questions as the real exams, in the same format. This has been a great help for past students because they were able to simulate the real exam while studying. Thousands of students have scored higher on their exams after using our study guides.
