First published in 2011, The Jewish Annotated New Testament was a groundbreaking work, bringing the New Testament's Jewish background to the attention of students, clergy, and general readers. In this new edition, eighty Jewish scholars bring together unparalleled scholarship to shed new light on the text. This thoroughly revised and greatly expanded second edition brings even more helpful information and new insights to the study of the New Testament. - Introductions to each New Testament book, containing guidance for reading and specific information about how the book relates to the Judaism of the period, have been revised and augmented, and in some cases newly written. - Annotations on the text--some revised, some new to this edition--provide verse-by-verse commentary. - The thirty essays from the first edition are thoroughly updated, and there are twenty-four new essays, on topics such as "Mary in Jewish Tradition," "Christology," and "Messianic Judaism." - For Christian readers The Jewish Annotated New Testament offers a window into the first-century world of Judaism from which the New Testament springs. There are explanations of Jewish concepts such as food laws and rabbinic argumentation. It also provides a much-needed corrective to many centuries of Christian misunderstandings of the Jewish religion. - For Jewish readers, this volume provides the chance to encounter the New Testament--a text of vast importance in Western European and American culture--with no religious agenda and with guidance from Jewish experts in theology, history, and Jewish and Christian thought. It also explains Christian practices, such as the Eucharist. The Jewish Annotated New Testament, Second Edition is an essential volume that places the New Testament writings in a context that will enlighten readers of any faith or none.

Translated by David H. Stern Uses neutral terms and Hebrew names Highlights Jewish features and Jewish references Corrects mistranslations from an anti-Jewish theological bias 436 pp. The New Testament is a Jewish book, written by Jews, initially for Jews. Its central figure was a Jew. His followers were all Jews; yet no translation--except this one--really communicates its original, essential Jewishness. Uses neutral terms and Hebrew names. Highlights Jewish features and Jewish references. Corrects mistranslations from an anti-Jewish theological basis. Freshly rendered into English using the Greek texts, this is a must for learning about first-century faith.

A rabbi's in-depth look at the Christian scripture from a Jewish perspective, with a scholarly criticism and historical background that reveals how the sacred literature of other religions can provide fresh perspectives on one's own beliefs. Original.

This survey of intertestamental Judaism illuminates the customs and controversies that provide essential background for understanding the New Testament. Scott opens a door into the Jewish world and literature leading up to the development of Christianity. He also offers an accessible overview of the data through helpful charts, maps, and diagrams incorporated throughout the text to engage his readers.

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D. Evelyn, *Christian Science Monitor*

The editors of *The Jewish Annotated New Testament* show how and why Jews and Christians read many of the same Biblical texts—including passages from the Pentateuch, the Prophets, and the Psalms—differently. Exploring and explaining these diverse perspectives, they reveal

more clearly Scripture's beauty and power. Esteemed Bible scholars and teachers Amy-Jill Levine and Marc Z. Brettler take readers on a guided tour of the most popular Hebrew Bible passages quoted in the New Testament to show what the texts meant in their original contexts and then how Jews and Christians, over time, understood those same texts. Passages include the creation of the world, the role of Adam and Eve, the Suffering Servant of Isaiah, the book of Jonah, and Psalm 22, whose words, "My God, my God, why have you forsaken me," Jesus quotes as he dies on the cross. Comparing various interpretations - historical, literary, and theological - of each ancient text, Levine and Brettler offer deeper understandings of the original narratives and their many afterlives. They show how the text speaks to different generations under changed circumstances, and so illuminate the Bible's ongoing significance. By understanding the depth and variety by which these passages have been, and can be, understood, *The Bible With and Without Jesus* does more than enhance our religious understandings, it helps us to see the Bible as a source of inspiration for any and all readers.

The New Testament has a surprisingly rich and fascinating history of composition. By understanding the processes by which these writings came to be, you will have the tools you need to engage the New Testament critically.
