Purple Cow: New Edition by Seth Godin | Audiobook...

In a field of black and white cows, the purple cow is the one that you would remember - turning to your travel companion and saying, "did you see...?" That's the premise of Seth Godin's book from 2002, a highly enjoyable spin through the act of being remarkable, and how businesses have transformed their fortunes by standing out from the crowd.

You're either a Purple Cow or you're not. You're either remarkable or invisible. Make your choice. What do Apple, Starbucks, Dyson and Pret a Manger have in common? How do they achieve spectacular growth, leaving behind former tried-and-true brands to gasp their last? The old checklist of P's used by marketers - Pricing, Promotion, Publicity - aren't working anymore. The golden age of advertising is over. It's time to add a new P - the Purple Cow. Purple Cow describes something phenomenal, something counterintuitive and exciting and flat-out unbelievable. In his new bestseller, Seth Godin urges you to put a Purple Cow into everything you build, and everything you do, to create something truly noticeable. It's a manifesto for anyone who wants to help create products and services that are worth marketing in the first place.

The cult classic that revolutionized marketing by teaching businesses that you ' re either remarkable or invisible. Few authors have had the kind of lasting impact and global reach that Seth Godin has had. In a series of now-classic books that have been translated into 36 languages and reached millions of readers around the world, he has taught generations of readers how to make remarkable products and spread powerful ideas. In Purple Cow, first published in 2003 and revised and expanded in 2009, Godin launched a movement to make truly remarkable products that are worth marketing in the first place. Through stories about companies like Starbucks, JetBlue, Krispy Kreme, and Apple, coupled with his signature provocative style, he inspires readers to rethink what their marketing is really saying about their product. In a world that grows noisier by the day, Godin's challenge has never been more relevant to writers, marketers, advertisers, entrepreneurs, makers, product managers, and anyone else who has something to share with the world.

How to find the soft innovation that will make your product, service, school, church, or career worth talking about. We live in an era of too much noise, too much clutter, too many choices, and too much spam. And as Seth Godin's 200,000-copy bestseller Purple Cow taught the business world, the old ways of marketing simply don't work anymore. The best way to sell anything these days is through word of mouth and the only real way to get word of mouth is to create something remarkable. Free Prize Inside, the sequel to Purple Cow, explains how to do just that. It's jammed with practical ideas you can use right now to make your product or service remarkable, so that it will virtually sell itself. Remember when cereal came with a free prize inside? Even if you already liked the cereal, it was the little plastic toy that made it irresistible. Godin explains how you can think of a bonus that will make your customers feel just as excited, no matter what business you're in. Consider these free prizes: • The Tupperware party, which turned buying plastic bowls into a social event • Flintstones vitamins, which turned a serious product into something fun • The free change-counting machine at every Commerce Bank branch • The little blue box from Tiffany, which makes people happy before they even open it This book offers a way to create free prizes quickly, cheaply, and reliably and persuade others in your organization to help you bring them to life.

Learn how to transform your business by daring to be different and becoming remarkable. Imagine being on a road trip to a place you ' ve never been to before. As you ' re driving along, you see fields of black-and-white cows, hundreds of them! Immediately, they grab your attention and you become mesmerized. As you continue to drive, you continue to see fields of cows and that initial excitement begins to wear off. And then, just twenty minutes later, you ' re bored. The cows are no longer interesting, they no longer grab your attention. They ' re all the same. Do you know what ' s not the same? Purple Cow! If you ' re driving along and you see a purple cow, that would certainly grab your attention, right? In today ' s crowded marketplace, a Purple Cow is just what you need to build a successful business. What makes you different? What makes you stand out? Why are people going to want to buy what you ' re offering? Well, Seth Godin aims to help you figure out what your Purple Cow is and teach you how to market a successful business. As you read, you ' ll learn why you should market a product instead of running a company, why not taking risks is riskier than taking risks, and which type of consumer you should be marketing for.

SELLING THE INVISIBLE is a succinct and often entertaining look at the unique characteristics of services and their prospects, and how any service, from a home-based consultancy to a multinational brokerage, can turn more prospects into clients and keep them. SELLING THE INVISIBLE covers service marketing from start to finish. Filled with wonderful insights and written in a roll-up-your-sleeves, jargon-free, accessible style, such as: Greatness May Get You Nowhere Focus Groups Don'ts The More You Say, the Less People Hear & Seeing the Forest Around the Falling Trees.

The New York Times, BusinessWeek, and Wall Street Journal Bestseller that redefined what it means to be a leader. Since it was first published almost a decade ago, Seth Godin's visionary book has helped tens of thousands of leaders turn a scattering of followers into a loyal tribe. If you need to rally fellow employees, customers, investors, believers, hobbyists, or readers around an idea, this book will demystify the process. It's human nature to seek out tribes, be they religious, ethnic, economic, political, or even musical (think of the Deadheads). Now the Internet has eliminated the barriers of geography, cost, and time. Social media gives anyone who wants to make a difference the tools to do so. With his signature wit and storytelling flair, Godin presents the three steps to building a tribe: the desire to change things, the ability to connect a tribe, and the willingness to lead. If you think leadership is for other people, think again—leaders come in surprising packages. Consider Joel Spolsky and his international tribe of scary-smart software engineers. Or Gary Vaynerhuck, a wine expert with a devoted following of enthusiasts. Chris Sharma led a tribe of rock climbers up impossible cliff faces, while Mich Mathews, a VP at Microsoft, ran her internal tribe of marketers from her cube in Seattle. Tribes will make you think—really think—about the opportunities to mobilize an audience that are already at your fingertips. It's not easy, but it's easier than you think.

World of Warcrafters, LARPers, Settlers of Catan? Weird. Beliebers, Swifties. Directioners? Weirder. Paleoos, vegans, carb loaders, ovolactovegetarians? Pretty weird. Mets fans, Yankees fans, Bears fans? Definitely weird. Face it. We ' re all weird. So why are companies still trying to build products for the masses? Why are we still acting like the masses even exist? Weird is the new normal. And only companies that figure that out have any chance of survival. This book shows you how.

As one of today ' s most influential business thinkers, Seth Godin helps his army of fans stay focused, stay connected, and stay dissatisfied with the status quo, the ordinary, the boring. His books, blog posts, magazine articles, and speeches have inspired countless entrepreneurs, marketing people, innovators, and managers around the world. Now, for the first time, Godin has collected the most provocative short pieces from his pioneering blog—ranked #70 by Feedster (out of millions published) in worldwide readership. This book also includes his most popular columns from Fast Company magazine, and several of the short e-books he has written in the last few years. A sample: • Bon Jovi And The Pirates • Christmas Card Spam • Clinging To Your Job Title? • How Much Would You Pay to Be on Oprah ' s Show? • The Persistence of Really Bad Ideas • The Seduction of " Good Enough " • What Happens When It's All on Tape? • Would You Buy Life Insurance at a Rock Concert? Small is the New Big is a huge bowl of inspiration that you can gobble in one sitting or dip into at any time. As Godin writes in his introduction: " I guarantee that you'll find some ideas that don ' t work for you. But I ' m certain that you're smart enough to see the stuff you ' ve always wanted to do, buried deep inside one of these riffs. And I ' m betting that once inspired, you ' ll actually make something happen. "

"A one-two punch! Half kick in the ass, half cheerleading encouragement." —Steven Pressfield, author of The War of Art If you are happy being just a dreamer, perhaps you don ' t need this book. If you ' re enjoying the status quo, don ' t even consider reading this book. If you are content waiting for success to find you, please put this book down and go find something else to read. Why has Poke the Box become a cult classic? Because it ' s a book that dares readers to do something they ' re afraid of. It could be what you need, too. "Is Seth Godin the Pied Piper for however many of us have been afraid to fail? Will I answer his call? Will you?" —Peter Shermeta, reviewing the original edition of Poke the Box
