BOOK ONE IN THE NEW YORK TIMES BESTSELLING SERIES One of Time Magazine's 100 Best Fantasy Books of All Time One of Time Magazine's 100 Best YA Books of All Time Instant New York Times bestseller From #1 New York Times bestselling author Sabaa Tahir Amazon's Best Young Adult Book of 2015 People's Choice Award winner - Favorite Fantasy Bustle's Best Young Adult Book of 2015 "This novel is a harrowing, haunting reminder of what it means to be human - and how hope might be kindled in the midst of oppression and fear." - The Washington Post "An Ember in the Ashes could launch Sabaa Tahir into JK Rowling territory...It has the addictive quality of The Hunger Games combined with the fantasy of Harry Potter and the brutality of Game of Thrones."-Public Radio International "An Ember in the Ashes glows, burns, and smolders-as beautiful and radiant as it is searing."-Huffington Post "A worthy novel - and one as brave as its characters." -The New York Times Book Review Laia is a slave. Elias is a soldier. Neither is free. Under the Martial Empire, defiance is met with death. Those who do not vow their blood and bodies to the Emperor risk the execution of their loved ones and the destruction of all they hold dear. It is in this brutal world, inspired by ancient Rome, that Laia lives with her grandparents and older brother. The family ekes out an existence in the Empire's impoverished backstreets. They do not challenge the Empire. They've seen what happens to those who do. But when Laia's brother is arrested for treason, Laia is forced to make a decision. In exchange for help from rebels who promise to rescue her brother, she will risk her life to spy for them from within the Empire's greatest military academy. There, Laia meets Elias, the school's finest soldier-and secretly, its most unwilling. Elias wants only to be free of the tyranny he's being trained to enforce. He and Laia will soon realize that their destinies are intertwined-and that their choices will change the fate of the Empire itself.

Drawn into an alien conflict when his ship is taken over and pitted

against a dangerous ancient enemy, Colin MacIntyre takes on the task of defeating a group of immortals who have been secretly ruling the Earth.

A thrilling tale of adventure, romance, and one girl's unyielding courage through the darkest of nightmares. Epidemics, floods, droughts--for sixteen-year-old Lucy, the end of the world came and went, taking 99% of the population with it. As the weather continues to rage out of control, and Sweepers clean the streets of plague victims, Lucy survives alone in the wilds of Central Park. But when she's rescued from a pack of hunting dogs by a mysterious boy named Aidan, she reluctantly realizes she can't continue on her own. She joins his band of survivors, yet a new danger awaits her: the Sweepers are looking for her. There's something special about Lucy, and they will stop at nothing to have her.

A sweeping history of twentieth-century Europe, *Out of Ashes* tells the story of an era of unparalleled violence and barbarity yet also of humanity, prosperity, and promise. Konrad Jarausch describes how the European nations emerged from the nineteenth century with high hopes for continued material progress and proud of their imperial command over the globe, only to become embroiled in the bloodshed of World War I, which brought an end to their optimism and gave rise to competing democratic, communist, and fascist ideologies. He shows how the 1920s witnessed renewed hope and a flourishing of modernist art and literature, but how the decade ended in economic collapse and gave rise to a second, more devastating world war and genocide on an unprecedented scale. Jarausch further explores how Western Europe surprisingly recovered due to American help and political integration. Finally, he examines how the Cold War pushed the divided continent to the brink of nuclear annihilation, and how the unforeseen triumph of liberal capitalism came to be threatened by Islamic fundamentalism, global economic crisis, and an uncertain future. A gripping narrative, *Out of Ashes* explores the paradox of the European encounter with

This Current Affairs Yearly Review 2021 E-Book will help you understand in detail exam-related important news including National & International Affairs, Defence, Sports, Person in News, MoU & Agreements, Science & Tech, Awards & Honours, Books etc.

Providing an understanding of the relationship with death, both as an individual and as a member of society. This book is intended to contribute to your understanding of your relationship with death, both as an individual and as a member of society. Kastenbaum shows how individual and societal attitudes influence both how and when we die and how we live and deal with the knowledge of death and loss. Robert Kastenbaum is a renowned scholar who developed one of the world's first death education courses and introduced the first text for this market. This landmark text draws on contributions from the social and behavioral sciences as well as the humanities, such as history, religion, philosophy, literature, and the arts, to provide thorough coverage of understanding death and the dying process. Learning Goals Upon completing this book, readers should be able to: -Understand the relationship with death, both as an individual and as a member of society -See how social forces and events affect the length of our lives, how we grieve, and how we die -Learn how dying people are perceived and treated in our society and what can be done to provide the best possible care -Master an understanding of continuing developments and challenges to hospice (palliative care). -Understand what is becoming of faith and doubt about an afterlife

Read Banking Current Affairs December 2021 from this E-book and know about various developments in banking like SBI Card partners with Paytm for tokenising cards, RBI approves Rajeev Ahuja's name as interim MD & CEO of RBL Bank & others.
