Virginity is of
concern here, that
is its utter
messiness. At once
valuable and
detrimental,

deviant,
undesirable and

and its loss hold
tremendous
cultural

many, female

something that is

the hymen,
whereas male
virginity is almost
as elusive as the G-

there, it's just we
have a harder time
finding it. Of course
boys are virgins,
queers are virgins,
some people
reclaim their

we agree to forget
the hymen all
together? Might we
start to see the
instability of terms
like untouched,
pure, or innocent?
Might we question
the act of sex, the
very notion of
relational
sexuality? After all,

Download Free Virgin The

for many people it is the sexual acts they don't do, or don't want to do, that carry the most abundant emotional clout.

Women deal with

Take the common
truism that women

poignant issue in
her latest book,
The Purity Myth.

women. Through in depth analysis of cultural stereotypes and media messages, Valenti reveals that powerful messages - ranging from abstinence curriculum to "Girls Gone Wild" commercials - place a young woman's worth

entirely on her sexuality. Morals are therefore linked purely to sexual behavior, as opposed to values like honesty, kindness, and altruism. Valenti approaches the topic head-on, shedding light on chastity in a historical context,

abstinence-only education, pornography, and public punishments for those who dare to have sex, among other critical issues. She also offers solutions that pave the way for a future without a damaging emphasis on

in this day and age,
are overly valued
for their sexuality,
and that this needs
to stop.
